

PRIVACY POLICY

Aime Technology Co. is not collecting personal private data about its beneficiaries. Data collected for the portfolio of projects are solely for the purposes of project implementation, monitoring and evaluation; and are entirely anonymous and aggregate level data. No data, information, or materials will be given or sold to third parties. In all its supported projects, Aime Technology Co. encourages partners not to collect and disclose personal private data for purposes other than medical record keeping and potential financial information to be used for tax purposes.

AIME TECHNOLOGY CORPORATION (“we” or “us” or “our”) respects the privacy of our users (“user” or “you”). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our mobile application (the “Application”). Please read this Privacy Policy carefully. IF YOU DO NOT AGREE WITH THE TERMS OF THIS PRIVACY POLICY, DO NOT ACCESS THE APPLICATION.

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will alert you about any changes by updating the “Last updated” date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Application after the date such revised Privacy Policy is posted.

This Privacy Policy does not apply to the third-party online/mobile store from which you install the Application or make payments, including any in-game virtual items, which may also collect and use data about you. We are not responsible for any of the data collected by any such third party.

COLLECTION OF YOUR INFORMATION

We may collect information about you in a variety of ways. The information we may collect via the Application depends on the content and materials you use, and includes:

Personal Data. Demographic and other personally identifiable information (such as your name and email address) that you voluntarily give to us when choosing to participate in various activities related to the Application, such as chat, posting messages in comment sections or in our forums, liking posts, sending feedback, and responding to surveys. If you choose to share data about yourself via your profile, online chat, or other interactive areas of the Application, please be advised that all data you disclose in these areas is public and your data will be accessible to anyone who accesses the Application.

Derivative Data. Information our servers automatically collect when you access the Application, such as your native actions that are integral to the Application, including liking, re-blogging, or replying to a post, as well as other interactions with the Application and other users via server log files.

Financial Data. Financial information, such as data related to your payment method (e.g. valid credit card number, card brand, expiration date) that we may collect when you purchase, order, return, exchange, or request information about our services from the Application. We store only very limited, if any, financial information that we collect.
